

What Happens After a Positive COVID-19 Test

Guidance for the On-Campus Cohort

Positive Test Result

Notify the Patient

Colonial Health Center notifies **students** and provides immediate isolation instructions and medical care.

Occupational Health notifies **employees** and provides immediate isolation instructions and medical care.

Campus COVID Support Team (CCST) Contacts Patient

CCST conducts case interviews and a Campus Exposure Assessment, provides isolation instructions, and calls close contacts to provide quarantine instructions and ensures testing.

Please defer to the CCST's expertise on quarantine and isolation measures.

Case Report to D.C. Health or Virginia Department of Health for Contact Tracing

Cleared to Return to Campus Activities

Colonial Health Center clears **students**.
Occupational Health clears **employees**.
